MERY JOY R. SIOSON

ELECTRONICS ENGINEER | ELECTRONICS TECHNICIAN

meryjoyrsioson2004@gmail.com | 09950379527 | Pililla,Rizal

SUMMARY

A hardworking and adaptable Electronics Engineer (REE) and Electronics Technician (ECT) seeking an opportunity to apply technical knowledge and develop professional skills. Has basic knowledge of AutoCAD and experience in telecommunications design, fiber optic cable documentation, and administrative tasks using Microsoft Office. Interested in pursuing opportunities in the semiconductor, biomedical, and instrumentation and control industries. Willing to undergo training to support continuous learning and professional growth.

INTERNSHIP EXPERIENCE

Telecommunications Design Intern

Fiberhome Phils., Inc. **June 2025 - August 2025**

NEX 54, Boni Avenue, Mandaluyong City, Philippines

- Assisted with fiber telecommunications design tasks using AutoCAD.
- Assisted in preparing and updating fiber optic cable layout drawings.
- Assisted in reviewing technical drawings and design documents for accuracy.
- Encoded and organized project data using Microsoft Excel and other MS Office applications.
- Prepared and organized documents related to fiber optic cable network design from tower to tower.

SEMINARS ATTENDED

- Bridging Academe and Industry: From Theoretical Foundations to Real-World Semiconductor Frequency Generation Applications **February 2026**
- Securing Life Through Technology: Bridging Cybersecurity and Biomedical Innovation
- From Signals to Intelligence: Your ECE Journey into Artificial Intelligence & Machine Learning

EDUCATION

TERTIARY EDUCATION

Bachelor of Science in Electronics Engineering **Aug 2022 - June 2026**

University of Rizal System

Morong, Rizal

DOST Scholar (RA 7687)

SECONDARY EDUCATION

SHS - Science, Technology, Engineering, and Mathematics **June 2020 - July 2022**

Pililla National High School

Bagumbayan Pililla, Rizal

KEY SKILLS

- Time Management
- Teamwork
- Adaptability
- Attention to detail
- Communication Skills
- Willingness to Learn
- Basic Electronics Knowledge
- Basic Circuit Analysis
- Technical Documentation
